

Name: _____

Illustrate and color your animal in its *new rainforest habitat*. Describe details about your animal's adaptations by writing responses to questions in the margins.

Name of My Animal: _____

What does it eat now?

How does it move?

How does it find food?

How is it classified now?

- ☐ Mammal
- ☐ Reptile
- ☐ Arthropod
- ☐ Bird
- ☐ Amphibian

List at least four adaptations for your animal. How do they help it live in the rainforest?
